Special to The Tribune. DUTTE, Mont., June 1.—The Elders took a fall out of the Miners to-

day, easily connecting with Drinkwater's delivery for eighteen hits and seven runs, five of which were earned, giving in return but seven hits and two runs, with one carned. Butte's miserable weakness in the box is be-coming a joke. The visitors, especially the infield, played a snappy game from the start to the finish, and with a trace of luck on their side kept the locals of luck on their side kept the locals from scoring several times when, under any other circumstances, they would have had their chance. While Essick walked four men, Bandelin was the only one to make the circuit. Ward hit out for two two-baggers. Wlimot for one, Shaffer for two singles and Mc-Hale and Quick for one each. That is the sorry tale of the Miners. For Salt Lake every man but Gimlin is credited with at least one hit. Weed four out with at least one hit. Weed four out of five while Clark, with five times at the bat, tallied three doubles. A wild the bat, tallied three doubles. A wild throw to first for a double in the fifth inning gave Bruevette the only error charged to the visitors. Three double plays of the Elders contributed largely to their winning. For the Miners Spen-cer tallied two more errors with two short throws to first which should have been outs. Bandelin also made a mis-

Hogg Strikes Out Eight Men.

Compelled Half Dozen Others to Hit the Ball Into the Air.

His Team Behind Him Played Errorless Ball, While Run-Getting Was Easy for Them.

Special to The Tribune. POKANE, Wash, June 1.-There was nothing to it in the pitching department today but Willie Hogg, while the main performance in the batting department was off the curves of Blewett. From the first inning, when the Indians began to lambaste Blewett, to the last, in which they made a run, he was at all times easy. Only the excellent fielding of his team-mates kept the score as close as

Spokane's playing an errorless game had much to do with Hogg's perform-ance. Boise could make hits now and again and now and again got men on the bases, but the ball would be hit into the air in easy reach of a fielder or would bound into hands of the infield-ers and Boise would go back to the field again. The fielding and batting of Rockenfield, Spokan's second baseman, were among the features of the game, although Wright of Boise did some fielding himself. Catcher Stanley was compelled to leave the game in the early

innings and Frary took his place. It was a peculiar game in that the Spokane first baseman had only four putouts. Two or three Boise men were forced at second, but in the main they either struck out or sent the sphere skyward. McKeavitt and Weaver did the principal hitting for Boise, but their efforts were not sequential and did not help much. McCarthy umpired a fair game, although he might have given Boise a little leeway in the matter of decisions and have done no one in-justice. The score

KNIGHTS OF THE GRIP WIN AT LOGAN

Defeat Business Men of Cache County City in a Ten-Inning Game.

Special to The Tribune.

OGAN, Utah, June 1.—Five thousand people witnessed the ball game here this afternoon between the Utah commercial travelers and the business men of Logan. The game was any body's till the last half of the tenth inning, when the drummers won by a score of 10 to 9. Cheered by thousands, the business men were first in the lead, and then the drummers would take a turn, fill the sixth inning, when the travelers were one run to the good, which lead they held till the last half of the ninth inning, when the business men made one run, tying the score. The drummers came first in the tenth and made three runs, and t looked as though the game were over. The business men made a determined effort to do the fellows that have been doing them for so long; but after making two runs, yielded the game in favor of Utah's commercial travelers. Each side made a home run, Iverson for the visitors and Squires for the locals, doing good stick work. In the first inning Purley, catcher for the drummers, split his hand open and had to retire. He was replaced by Wright, the catcher for the B. Y. coilege crimsons. Wright played a star game and won the hearts of the visitors by his excellent head work, and tonight there is nothing within reach of the drummers too good for Ed Wright. GUS LINDE DOWNED BY FRANK LEWIS

Logan Man Wins Graeco-Roman Fall, but Is Bested at Catch-as-Catch-Can Game.

Special to The Tribune. OGAN, June 1.-The Frank S. Lewis-Gus Linde wrestling match came off last evening and resulted in a victory for the ex-international widdleweight champion.

Lewis entered the ring at 173 pounds Linde at 170 pounds. Tom Barton was chosen referee at the ringside and Lewis then stepped to the front of the stage and offered to bet from \$25 to \$75 on himself, but found no takers. After twenty-two minutes of hard struggling Linde threw his man to the mat in a neck hold. This was a Graeco-Roman fall and perhaps to the advantage of the winner. The next bout was catchac-catch-can and was won by Lewis in six and one-half minutes, with a lock half Nelson hold According to agreement, the one taking the fall in the shortest time was to have his choice of third. Lewis chose catch-as-catchcan and the men faced each other for the final contest. In nine and one-half minutes Lewis again put his man down with the same hold. Lewis was suf-fering from a bad throat, but otherwise was in good condition. Linds showed remarkable skill and agility in getting out of tight places. He was well received by his Logan friends, who nearly went wild when he secured the first fall.

The main event was preceded by three preliminary bouts, the first a wrestling match between Joseph Tarbet, weight 115 pounds, and William Schiffman, weight 120 pounds, catch-as-catch-can. a ten-minute struggle, with a double Nelson hold. Schiffman took the next fall in four minutes with double Nelson hold. Schiffman, after eight minutes, threw the little fellow. They both went off the mat, on account of which no de-cision was rendered by the referee. George Carlson, weight 150 pounds and William Hamp, weight 149, boxed a four-round contest for points. The match was so evenly contested that the referee was unable to decide and called it a draw.

Three Times as Many Births as Deaths in Salt Lake During the Last Month.

HERE were exactly three times as many births as deaths in Salt Lake City during the past month. The monthly report of the Health department, which has just been prepared by Clerk M. R. Brothers, shows 168 births reported during May as against eighty deaths. Estimating the population of the city at 75,00, the death rate per 1000 inhabitants is .74. Of the 168 births reported, eighty-nine were males and twenty-nine females.

During the month only fifty-five cases of contagious and infections diseases were reported as against 144 for the previous month. For the month of May, 1903, there were eighty-one cases re-ported. Of the total number of conta-gious diseases recorded, twenty-one were smallpox, six typhoid fever, six measles, eight scarlet fever and three each of diphtheria and chicken pox. Race at Epsom Run in a Storm.

Gouvernant, a French Horse and the Favorite, Was Not Placed.

Big Contingent of Frenchmen Present Disappointed, as They Regarded the Colt a Winner.

ONDON, June 1.- The race for the Derby stakes of 6500 sovereigns, about one mile and a half, at Epsom today, was won by St.

Amani.

Result in detail was as follows: Leopoid de Rothschild St. Amant (Carnon) won, J. R. Thursby's John O'Gaunt (Thursby) second, S. S. B. Joel's St. Denis (Hasley) third. Eight horses started.

St Amant ied all the way and won by three lengths, Another three lengths sepurated second and third horses. Andover was fourth. Gouvernant, a French horse owned by M. Blanc, and the favorite, was not placed.

The victory of St. Amant was exceed-

owned by M. Blanc, and the favorite, was not placed.

The victory of St. Amant was exceedingly popular, especially as it was thought that Gouvernant was a certain winner. The scene when M. De Rothschild led in his horse was remarkable. King Edward, who was present was among the first to congratulate his old friend, while cheers resounded all over the course.

Rain fell heavily all the morning, which greatly diminished the size of the crowds, and the number of conches and other vehicles was not nearly up to the average, most of those who attended the races preferring trains. This means of reaching the course was chosen by the King, who was accompanied by the Prince of Wales, the Duke of Connaught, Prince Christian, the Duchess of Devonshire and the Duchess of Fortland. Queen Alexandra was not present, owing to the rain.

The betting was 5 to 1 against St.

The betting was 5 to 1 against St. Amant, 4 to 1 against John O'Gaunt, and 50 to 1 against St. Denis. The French crack, Gouvernant, started at 7 to against. The race, which was run in a thunderstorm, occupied 2 minutes 454-

seconds.

A big contingent of Frenchmen was present, and their disappointment was most keed, as they regarded Edmond Blanc's colt as certain to repeat Gladiateur's performance. It is said that M. Blanc, who made his fortune out of the Casino at Monte Carlo and paid a record price, \$100.570. for Gouvernant's sire, Flying Fox, stood to win the neighborhood of \$250.000 in bets on Gouvernant. "Skeets" Martin, the American jockey, was suspended until June 25 at Eps>m today. He had the mount on Lady Honors, the winner of the Catheram plate, and was disqualified for crossing and boring.

ROSS-LEWIS BOUT PROMISED TONIGHT

NLESS the weather interferes. Prof. Frank Lewis, the ex-middleweight wrestling champion, will meet Charles Ross, the local favorite at the Salt Palace cycle track vorite at the Sait Palace cycle track this evening. The match was originally scheduled for May 27, but owing to the inclemency of the weather, a rost-ponement was taken until lonight. The match should be one of the best ever seen here, according to "dope." Lewis and Ross met here some months ago and the local man came out victorious. Since that time Ross met and rious. Since that time Ross met and defeated the "German Strong Boy," though this victory did not reflect much

credit upon Ross as the German was in miscrable shape. Prof. Lewis declares that his defeat last time was due to the fact that he was unused to the altitude. He says that the excessive height affected his breathing and weakened him consider-ably. He has become acclimated since that time and says he will be able to

defeat the local man tonight.

Tuesday night Lewis met and defeated Gus Linde, the Logan wrestler, taking the last two falls in about fif-teen minutes. He was reported to be in good shape and his backers claim that he will turn the tables on Ross when they meet this evening. Prior to the main event, Young Houst
